

Kitt Johnson X-act

Lymphatic Action – Technical Rider

Time frame

The organizer and the artist will select 12 relevant sites for the Action, and the walk between these will also be planned in close collaboration between the organizer and the artist.

The total distance of the walk should not exceed 20 km.

The distance between the individual sites should not exceed 2½ km.

The artist will arrive either five days prior to the walk, or she will visit the city at an earlier time to get to know and test the walk. For this she will need a bicycle.

Duration: Max. 12 hours
